Rocker Sill Mouldings	Std		
Rear Spoiler	Std		
Roof Rails	Std		
WHEELS			
Tyre Size	155/65 R13		
Wheel Type	Styled Steel Wheels		
Spare Wheel	145/70 R13		

*Fuel economy values are determined through CO₂ measurements in accordance with the latest ECE R101/SANS 20101 standards, as prescribed by South African government, conducted in a controlled environment and were correct at the time this disclaimer was published, which is subject to change. The specifications are for comparison purposes between the different vehicle models available in the S.A. market which are all tested in the same manner, specific driving cycles and controlled environment. Actual achieved fuel consumption during on-road driving will vary due to factors including driving style, vehicle load and tyre size, as well as road, traffic and ambient conditions. Date of print April 2014.
